Respected,

OKTA Refinery, as one of the proud sponsors of the XXII Congress of the Union of Chemists and Technologists of Macedonia, in cooperation with the Organization Board of the Congress, Faculty of Technology and Metallurgy from Skopje and the professor Slobodan Sokolovic from the University of Novi Sad, the Faculty of technical sciences, has the privilege to organize the roundtable, which is part of the Congress program, under the title SECURITY IN THE SUPPLYING OF OIL AND GAS IN THE REGION OF SOUTHEASTERN EUROPE.

It is a special honor and pleasure to invite you to participate in the roundtable which shall be held on 06 of September 2012 in Ohrid, Metropol hotel in the period 16:00 – 19:00. Moderators and introductory speakers at the roundtable will be Professor Slobodan Sokolovic and representatives from OKTA Refinery – Skopje, among whom, the Chairman of the Board of Directors of OKTA Mr.Eleftherios Tziolas and/or the Chief Executive Officer of OKTA Mr.Athanasios Paspaliaris, who shall talk on the following topics:

1. Current and future needs and ways for supply of the region of Southeastern Europe with oil and gas,
2. The situation with the oil processing capacities and the future plans and perspectives,
3. Production of liquid fuels under European standards as a precondition for supplying of the region with quality fuels,
4. Possibilities for complying with the European directives on mandatory stock reserves of liquid fuels in the region,

The aim of the roundtable is for the main participants in the supplying of the region with oil and gas to exchange their deliberations and ideas which would help the finding of the most favorable proposals on the further strategies for development of the energy field as a whole. Invitees at the roundtable will be representatives from the refineries in the region, from the large oil and gas distributors, representatives from the competent ministries of economy, energy, environment, as well as from appropriate agencies and directorates.

Within the framework of the XXII Congress of the chemists and technologists of Macedonia the first Symposium of the laboratories for oil and oil derivatives in the region of Southeastern Europe shall be held, according to the agenda given enclosed, and the participation at the roundtable is part of the program of the Symposium of the laboratories.

The expenses for the participation at the roundtable shall be covered by the participants themselves and they are given in the Programs of the Congress and the Symposium of the laboratories. Please confirm your participation till 03.09.2012 the latest, on the following telephones: +389 2 25 32 246, tel./fax +389 2 25 32 546 on the e-mail address: s.b.crvenkova@helpe.gr and i.m.rikalovski@helpe.gr.

QUALITY CONTROL AND SECURE SUPPLY OF OIL AND OIL DERIVATIVES IN SOUTHEASTERN EUROPE

FIRST SYMPOSIUM OF LABORATORIES FOR OIL AND OIL DERIVATIVES

Location: Hotel “Metropol” - Ohrid, Macedonia
05 – 08 September

05 September 2012 (Wednesday)

Afternoon: Arrival at hotel “Metropol”, registration and accommodation of the participants.

19:30 - Welcome party within the frames of the Congress of the Society of Chemists and Technologists of Macedonia (SCTM)

06 September 2012 (Thursday)

09:00 ÷ 09:30 – Ceremonial opening of the Congress SCTM (plenary)

Symposium of Laboratories
(parallel meeting within the fame of the Congress)

09:30 ÷ 11:00 - Activities, challenges and plans for development of the Laboratories in Southeastern Europe (each Laboratory has at disposal 15-20 minutes for presentation)

11:00 ÷ 11:15 – Coffee break

11:15 ÷ 13:15 – The role of the refineries in the control of the quality of the oil and the oil derivatives defined by the legal regulative in the countries of Southeastern Europe (each Laboratory has at disposal 15-20 minutes for presentation)

13:15 ÷ 14:30 - Lunch

14:30 ÷ 16:30 – Improvement of the quality control of oil and oil derivatives through regional cooperation between the Laboratories in Southeastern Europe (discussion, all participants).

17:00 ÷ 19:00 – Participation in the work of the round table organized by the Congress (prof. S. Sokolović from the University in Novi Sad) and OKTA Refinery (with its presenters) on the topic “Energy, oil, gas – resources, security (safety) and strategies in the region of Southeastern Europe (by the wish of the participants);

19:00 ÷ 20:30 – Free time

20:30 ÷ 22:00 – Dinner and Sponsor’s event
07 September 2012 (Friday)

09:00 ÷ 10:30 – Experiences and possibility of conducting inter-laboratory examinations (proficiency testing – PT scheme) in the Region. (discussion, all participants)

10:30 ÷ 10:45 – Coffee break

10:45 ÷ 13:00 – Experiences in implementing systems for control of the quality of the liquid fuels on the retail points. Possible reasons for deterioration of the fuel quality in the system of the control of fuel quality: From the retail point, through transport, storage and production (presentation by a representative from the competent Ministries from the countries of Southeastern Europe and presentations prepared by participants)

13:00 ÷ 13:30 – Partnership projects for clean fuels and vehicles, experiences and challenges (presentation by REC).

13:30 ÷ 14:30 – Lunch

14:30 ÷ 15:30 – Conclusions, review and adoption of the regional Agenda for cooperation between Laboratories for oil and oil derivatives (discussion, all participants).

16:00 ÷ 19:30 – Walk by the lake and visit of the monastery of St. Naum.

20:00 ÷ 23:00 – Formal dinner- Congress dinner

08 September 2012 (Saturday)

Regular program of the Congress (the participants of the Symposium can continue their participation or leave the Congress by their own will).
